TO HIS EXCELLENCY

ARCHIBALD WILLIAM EARL OF EGLINTON AND WINTON,

LORD LIEUTENANT GENERAL, AND GENERAL GOVERNOR OF IRELAND.

MAY IT PLEASE YOUR EXCELLENCY,

We the Commissioners appointed by the Earl of Clarendon, to take an account of the Population of Ireland for the year 1851, in conformity with the provisions of the Act 13 & 14 Vict., c. 44, beg to lay before your Excellency the accompanying Returns of the population and number of houses in the county of Carlow, prepared by townlands and electoral divisions, and to state that, in order to prevent the delay which would arise from waiting until all the Returns were completed, we propose to submit to your Excellency, from time to time, as they shall be printed, similar tables for each county in Ireland.

The anxiety of the public for detailed statistical information respecting the late Census, and the wishes expressed in Parliament upon the subject, have determined us to prepare this section of the work, in preference to the more minute and digested tables, relating to education, occupations, emigration, diseases, deaths, &c., which will precede or accompany the General Report, in forms similar to those published after the Census of 1841.

Owing to the changes which have recently been made in the boundaries of many electoral divisions, it may not be unnecessary to state that the population and number of houses given for each townland in 1841, are taken from the "Addenda to the Census" of that year,—published in 1844,—and in order to make the Returns, as shown for Poor Law Unions and Electoral Divisions in 1841, comparable with those of 1851, a computation has been made by townlands of what the population and houses would have been according to the Census of 1841, had the present Unions and Electorates been then formed. For both periods reference is made to the same area.

In submitting this our first Report, we are desirous to express our thanks to Sir Duncan M'Gregor, K.C.B., the Inspector-General of Constabulary, and the very efficient force under his command, for the support which we received from him, and that body, in carrying out the arduous duty of the enumeration. And we confidently trust, that owing to the assistance of the officers and men of the Constabulary and the Metropolitan Police,—who were appointed Enumerators

by the Census Act,—together with the friendly co-operation and support which we have received from the resident nobility and gentry, the magistracy, the clergy of all denominations, and other influential persons, we shall be enabled to lay before your Excellency, without any unusual delay, a series of Returns deserving of confidence for the accuracy of their details. We are also much indebted to the very general assistance of the public press throughout Ireland, for the able support so readily afforded to us previous to, and during the entire progress of the enumeration.

The Commissioners for administering the Laws for the Relief of the Poor in Ireland have furnished us with the Poor Law Valuation of the townlands as given in the last column of these Returns; an addition which, we trust, will be found practically useful in connexion with the preceding columns, containing the area and population.

We have the honor to be,

My Lord,

Your Excellency's most obedient servants,

WILLIAM DONNELLY, *Registrar-General*, } *Chief Commissioner.*

WILLIAM R. WILDE, *Assistant Commissioner*

EDWARD SINGLETON, *Secretary*

The Clerk to the Guardians of the Cork Poor Law Union has stated, that the Valuation of the Cork Electoral Division does not distinguish the value of each townland separately; this column could not therefore be filled up for the townlands within that Electoral Division.

(*2) The remainder of the parish of Kilnaglory is in the barony of Muskerry, East; the entire parish contains 850 persons.
(*3) The town of Sallybrook does not now contain 20 houses; its present population has, therefore, merged into that of the townland of Knocknahorgan in which it is situated.
(*2) The remainder of the parish of St. Anne Shandon is in the city of Cork; the entire parish contains 26,522 persons.
